

# ELD Fleet™

Comply with Confidence

Registered ELDs

## FMCSA-Compliant Electronic Logs

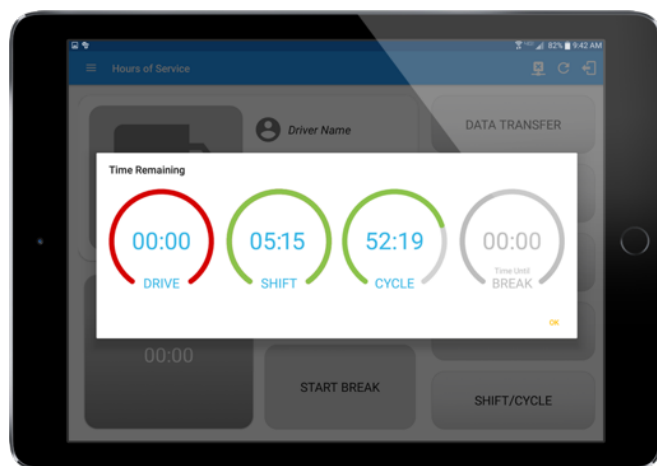

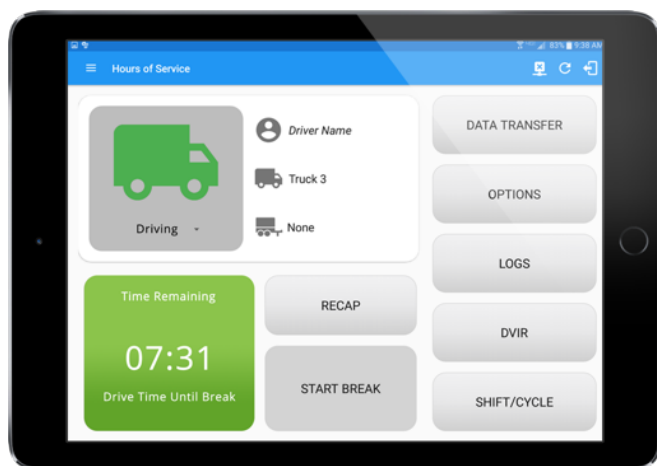

With our **electronic logging software**, your drivers can log their hours and get on the road faster than ever before. With the ELD Mandate now in effect, there's never been a better time to adopt our convenient, mobile-friendly electronic logging solution.

# ELD Compliant

- ✓ ELD Compliant Solution
- ✓ See HOS Status of All Vehicles
- ✓ Signature Capture
- ✓ Minimize Violations
- ✓ Easily Generate and Transmit Reports
- ✓ Operates Offline
- ✓ IFTA Fuel Tax Reporting with ProMiles\*

*For Ease of Use!*

## Driver Alerts

Convenient alerts keep drivers informed, reducing violations.

## Clear Indicators

A clear log display makes it easy to identify violations.

## Customizable DVIR

It's now easier than ever to complete and send DVIRs.

## Reduced Audit Risk

Our system is designed to make managing HOS compliance achievable for every business.

## Easy Log Sending

Drivers can quickly and easily submit their logs upon request.

## Employee Management

Your office gets a bird's-eye view of the HOS status of all vehicles.
